PROFILE

Harry is a resilient and versatile offline editor with over 14 years experience In prime time TV largely centred on entertainment and factual, his credits are a great reflection of his editing style: dynamic, energetic and witty. In the past, he has worked in Film Production and Film Distribution and has therefore an in depth knowledge of the broadcast industry in general. As a former Head of Post Production at Holloway Film & Television and editor for Extreme Post, Harry is experienced to handle pretty much anything that comes his way.
