I'm an enthusiastic and competent North West based Editor. I am passionate about the creative process and story-telling but can also work well within time constraints and have a lot of experience working on TX Critical edits. I am always up for a challenge and enjoy working with others to create quality TV. I'm very friendly and sociable and find meeting and working with new and different people a real perk of the job.

## Credits

### **Rip Off Britain Live**

*BBC Current Affairs*

**Offline Editor** – creating multiple 6/7 minute VTs to be played during the live show

### **The One Show**

*BBC Current Affairs*

**VT Editor** – creating multiple topical VTs per week. Stitching them together and finessing both video and audio, ready for TX

### **The Big In**

*BBC Entertainment*

**Online VT Editor** – collating VTs together for the Live New Years Eve show. Applying Producer changes, colour correcting and checking audio. Then sending out to EVS Ready for transmission

### **Health Check**

*BBC Current Affairs*

**VT Editor** – creating floats, menus and zoom interviews ready to play into Live recording

### **Creative Services**

*BBC*

**Online Editor** – onlining adverts for BBC programming. Ensuring they follow delivery spec and creating multiple versions for broadcast across the week

### **BBC Bitesize Lockdown programmes**

*BBC Learning*

**Offline Editor** – stitched together some of the educational programmes that went out during lockdown. A mix of animation, archive VTs and presenter led segments shot in a virtual studio

### **Grace's Amazing Machines**

*CBeebies*

**Offline Editor** – stitching together content using archive and specially shot footage

### **Hack to the Future**

*CBBC*

**Offline Editor** – piecing together an hour long programme, using footage from Hackers Youtube channel, with specially shot pieces to camera to create and a comical 'guide to being a social influencer'

### **CBeebies Live Links**

*CBeebies Live*

**Offline Editor** – creating the presenter led links shown between programming on the CBeebies channel. Whether that be short presenter chats, songs, makes or showing viewers birthday cards in studio
